Note: If the status of this drawing is not signed off for construction, it may be subject to change, alteration or amendment at the discretion of Fluid Design. No liability will be accepted for any loss, damage, harm or injury whether special, consequential, direct or indirect suffered by you or any other person as a result of the use of this drawing.  
Contractors are to verify all dimensions and levels on site prior to commencement of any work. Report any discrepancies to designer before proceeding with any work. Location of underground services to be proven on site & protected if necessary prior to construction. Any damage to services caused by excavation works, shall be made good by contractor at contractor's expense and to project manager's satisfaction. All works shall comply with relevant authority requirements, Building codes & local council guidelines.  
All materials to be fixed according to manufacturers recommendations. Works are to be carried out by qualified tradesmen according to approved landscape plans. Fluid Design takes no responsibility for any variations in design, construction methods, materials or specifications without written permission by project manager.
